PARENTS' CORNER

Hi!
I'm Aurora Al
the Fox!

A GUIDE FOR PARENTS,
TEACHERS & CARERS

Helpful information, practical tips
and answers to support your child's
AI learning journey.

Together,
we help children
shine!

You are your child's first and most important teacher.
Your support, encouragement and curiosity
make all the difference.

THANK YOU FOR BEING PART OF THEIR JOURNEY!

WELCOME, PARENTS & CARERS!

Thank you for trusting us to be part of your child's AI learning journey.

Artificial Intelligence is becoming part of everyday life, and I believe every child deserves the opportunity to learn about it in a way that is safe, creative, positive and fun.

I created Learn AI with Luna to help children discover that AI isn't something to fear—it's a creative helper that can inspire ideas, solve problems and bring imagination to life while always putting kindness, curiosity and critical thinking first.

This workbook has been carefully designed for children aged 8–12, giving them practical skills they can use with today's AI tools while encouraging creativity, confidence and responsible digital citizenship.

OUR MISSION

To help every child become a confident, creative and responsible explorer of Artificial Intelligence—while always leading with kindness, imagination and curiosity.

Hi! I'm Aurora AI the Fox!

YOUR CHILD'S AI JOURNEY WITH LUNA

1

DISCOVER AI

Create stories, games, apps, art and music using guided projects and simple tools.

6

STAY SAFE ONLINE

Learn how to use AI responsibly, protect privacy and be a good digital citizen.

Complete missions, earn stars, reflect in your AI Journal and earn certificates!

Children can explore at their own pace and revisit any activity anytime!

WHAT MAKES STAR PARADISE DIFFERENT?

CREATIVITY FIRST

Every activity sparks imagination and encourages children to create, explore and express themselves.

KINDNESS ALWAYS

We teach empathy, teamwork and respect so children can use their skills to make a positive impact.

SAFETY BY DESIGN

Safety lessons, parent controls and age-appropriate content keep your child's experience secure.

CRITICAL THINKING

We help children ask better questions, solve problems and think deeply about the world around them.

AI AS A HELPER

AI is a tool—not a replacement. We empower children to combine AI with their own ideas.

PARENT FRIENDLY

Clear guidance, helpful tips and flexible activities make learning together easy.

ONLINE SAFETY YOU CAN TRUST

- ✓ We never ask children to share personal information.
- ✓ No ads. No external links. No distractions.
- ✓ Children learn responsible AI use and digital citizenship.
- ✓ Parents remain in control with easy settings.
- ✓ We encourage open conversations and family involvement.

Your child's safety and wellbeing are our top priority.

SKILLS FOR TODAY, READY FOR TOMORROW

Children develop essential skills that last a lifetime:

Critical Thinking

Creativity & Imagination

Problem Solving

Communication

Digital Literacy

Confidence

Curiosity

Responsible Tech Habits

LEARNING TOGETHER

Small moments together make a big difference!

- ♥ Ask your child what they created today.
- ♥ Explore a mission or project together.
- ♥ Help them design their AI Animal.
- ♥ Celebrate effort, curiosity and creativity.
- ♥ Encourage questions and experimentation.
- ♥ Be their biggest cheerleader!

Learning together builds confidence, connection and memories.

OUR PROMISE TO YOU

Every page of Learn AI with Luna has been created to help children become confident, creative and responsible users of Artificial Intelligence.

- ★ Our goal isn't to teach children to depend on AI.
- ★ It's to teach them how to think, imagine, create and solve problems—using AI as a tool, never as a replacement for their own ideas.
- ★ We believe the future belongs to children who combine creativity with kindness, curiosity with critical thinking, and technology with imagination.

A PERSONAL NOTE

Thank you for welcoming Luna into your home.

I created Star Paradise because I believe every child deserves to feel seen, valued and inspired to shine in their own unique way.

My hope is that this workbook sparks wonderful conversations, amazing creativity and the confidence to explore new technology safely.

With warm wishes,

Natasha Bonner-Fomes
